VirtualBox 5.1.26 Oracle VM VirtualBox Extension Pack All supported platforms
Support for USB 2.0 and USB 3.0 devices, VirtualBox RDP, disk encryption, NVMe and PXE boot for Intel cards. See this chapter from
introduction to this Extension Pack.
The Extension Pack binaries are released under the VirtualBox Personal Use and Evaluation License (PUEL).
Please install the extension pack with the same version as your installed version of VirtualBox:
If you are using VirtualBox 5.0.40, please download the extension pack here.
VirtualBox 5.1.26 Software Developer Kit (SDK) All platforms
See the changelog for what has changed.
You might want to compare the SHA256 checksums or the MD5 checksums to verify the integrity of downloaded packages. The SHA256 ch
MD5 algorithm must be treated as insecure!
Note: After upgrading VirtualBox it is recommended to upgrade the guest additions as well.

communities and third parties that govern the use of those portions, and any licenses granted hereunder do not alter any rights and obligations You may have under such open source licenses, however, the disclaimer of warranty and limitation of liability provisions in this Agreement will apply to all of the Product.

§ 8 Export Regulations. All Product, documents, technical data, and any other materials delivered under this Agreement are subject to U.S. export control laws and may be subject to export or import regulations in other countries. You agree to comply strictly with these laws and regulations and acknowledge that you have the responsibility to obtain any licenses to export, re-export, or import as may be required after delivery to you.

§ 9 U.S. Government End Users. If the Product or related documentation is delivered to the U.S. Government or anyone licensing it on behalf of the U.S. Government, then the following notice applies: Oracle programs, including any operating system, integrated software, any programs installed on hardware, and/or documentation, delivered to U.S. Government end users are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs, including any operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

§ 10 Miscellaneous. This Agreement is the entire agreement between you and Oracle relating to its subject matter. It supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the parties relating to its subject matter during the term of this Agreement. No modification of this Agreement will be binding, unless in writing and signed by an authorized representative of each party. If any provision of this Agreement is held to be unenforceable, this Agreement will remain in effect with the provision omitted, unless omission would frustrate the intent of the parties, in which case this Agreement will immediately terminate. Course of dealing and other standard business conditions of the parties or the industry shall not apply. This Agreement is governed by the substantive and procedural laws of the State of California, USA, and you and Oracle agree to submit to the exclusive jurisdiction of, and venue in, the courts of San Francisco or Santa Clara counties in California in any dispute arising out of or relating to this Agreement.
